Wallmount

The Bouncepad Wallmount is a low profile solution for vertical surfaces and walls, presenting content at eye level.

**Branch**

The Bouncepad Branch is the perfect solution in areas where floor space is valuable and you want your walls to do the talking.

**Vesa**

The Bouncepad VESA allows you to achieve a seamlessly flat tablet display, and is compatible with industry standard VESA mount systems.

Sumo

The Sumo is strong yet beautiful tablet enclosure for high-traffic environments including quick service restaurants, malls, play areas and airports.

**Counter Flex**

The Bouncepad Counter Flex is designed to protect and secure the tablet whilst offering a full range of movement for ergonomic interaction.

**Mobi**

The protective iPad case and dock that keeps mobile card readers securely attached, charged, and easy to share.

Flex

The Bouncepad Flex offers a full range of movement with a flexible stalk that lets you use the screen at any angle.

**Flip**

The Bouncepad Flip sits elegantly on your counter top, the perfect solution for screen sharing and point of sale applications.

**Counter**

The Bouncepad Counter is designed to protect and secure the tablet whilst standing at the perfect angle for ergonomic interaction.

Counter 60

The Bouncepad Counter 60 is designed to protect and secure the tablet whilst standing at the perfect angle for ergonomic interaction.

**Static 60**

The Bouncepad Static 60 acts as a powerful focal point for displaying bright content at a distance or on raised platforms.

**Lounge**

Pick it up, sit it on your lap, pass it to a friend. The Bouncepad Lounge is designed for relaxed interaction and free movement. Includes 2m reinforced charging cable which is enclosed in a flexible nylon mesh for added security.

Mobi

The protective iPad case and dock that keeps mobile card readers securely attached, charged, and easy to share.

Lounge

Pick it up, sit it on your lap, pass it to a friend. The Bouncepad Lounge is designed for relaxed interaction and free movement. Includes 2m reinforced charging cable which is enclosed in a flexible nylon mesh for added security.
